Tomu, Inc. Breaks \$100,000 Milestone of Crowd Fundraising Round in First Week

The DC-Area company, with a mission to create more sustainable hospitality lodging, just launched its Reg CF offering on Monday, February 27th

WASHINGTON, DC & FREDERICK, MD – Tomu, Inc., a sustainability-focused hospitality development company, announced today that it had broken another **early milestone of \$100,000 in investments** through its campaign on the crowdfunding platform StartEngine. The Reg CF investor offering was just **launched on Monday, February 27th** with bonus interest on the convertible note offer to early investors through next week. The public round was launched to raise capital for its mission to make hotels and lodging rentals more environmentally sustainable and accessible to own.

Tomu designs and builds prefabricated guest rooms for use in hospitality construction using its proprietary modular building system to address emerging traveler demand for more sustainable lodging options. The company's guest units come in both turnkey and configurable design options, allowing both independent and franchised hotel operators a way to reduce project development times and lower ongoing operating costs.

"Reaching the \$100,000 milestone so quickly in our crowdfunding round is an exciting achievement for the Tomu team, and a testament to the trust and confidence that our supporters have placed in us," said Chris Osaka, Chief Executive Officer of Tomu, Inc. *"We are grateful for the ongoing support of our community and are more motivated than ever to fulfill our mission of creating sustainable and innovative solutions for hospitality."*

Tomu's Reg CF fundraising round offers the public an opportunity to invest in the company and become a part of its mission to create a better future for hospitality. The fundraising round will be conducted through the platform StartEngine allowing non-accredited investors to participate and runs concurrent with Tomu's offering exclusively for accredited investors.
